Cancellation Policy

Please read the cancellation policy and sign below:

Cancellation of appointments may be subject to a charge.

We accept cancellations prior to 24 hours of the appointment time. If the appointment is cancelled with less than 24 hours notice, or if the visit is marked as a "NoShow", then you will be charged \$50 for your general visit.

If this is an IV Infusion or Injection appointment, the fee will be \$100 as we block the schedule for longer periods of time in order to focus on you and your well-being. IV Infusion and Injection appointments require preparation of medications and infusions specifically for your appointment which may not be reused.

Patients that have 3 "No-Show" appointments will be dismissed from the practice, and no refunds will be provided.

By signing my name below, I acknowledge that I have read and agree to the terms of the cancellation policy.
